I have been suffering from a bad leg for about 18 months, and a Eczema Ulcer formed. I then went to Mr. Simpson and after six months' treatment the ulcer has completely healed up. If anyone suffering from same complaint I would recommend his treatment. Thank you, Mr. Simpson, for your treatment, I am quite able to do my work.

Yours gratefully,
MR. CHARLES E. SELDON,
25 Rimu St., Fitzroy, N.P.

This is to certify that I have been suffering severe pains in my stomach for the past four years and have been in and out of the hospital. I have tried various remedies and finally gave Mr. Simpson's treatment a trial and am pleased to state that he has cured me. I can safely recommend anyone suffering from any complaint to consult Mr. Simpson.

MR. HUGHAN,
6 Carnegie St., Dunedin.

I have been suffering from Epilepsy Fits for 71 years. I had lost the power and could not do any work. I was feeling very weak. No doctors could help me. I heard about Mr. Simpson so I went to try his treatment for six months. I am getting all right. I can do my work. I have not been troubled with it since. I thank Mr. Simpson for treatment for the Epilepsy Fits. I am 71 years of age. I recommend anyone suffering from Epilepsy Fits to go and see Mr. Simpson.

MRS. J. J. N. BOVETT,

To Mr. Simpson,

I was a sufferer with Eczema on my feet and ankles for 17 years. I have been under your treatment for about five weeks. After the first treatment I lost all the itch and now I have a new skin and all swelling and irritation is gone. I can recommend his treatment to any sufferer.

Again thanking Mr. Simpson for your treatment for my Eczema. My Eczema is properly healed.

Yours faithfully,
MR. W. McKINNON,
53 Eliot St., New Plymouth.

I have been suffering from Catarrh and Indigestion for 10 years caused through too much acid in the blood.

I got no relief from all doctors I tried so decided to give Mr. Simpson a trial and have been taking his medicine for six months and I am better than I have been for years. I recommend anyone suffering from Indigestion or Catarrh to give him a trial.

MRS. O. PETERSEN,

I wish to advise my many friends that I have had my daughter Sheila treated by Mr. Simpson for Catarrh and am very pleased to say the treatment has cleared the complaint wonderfully after suffering 2 years. This was accompanied with adenoids which was a doubtful case, but Mr. Simpson has won a great success.

MRS. S. F. BRACEGIRDLE, Kaimata.

I have been suffering from Rheumatics in the lungs for 19 years and Catarrh Phlegm for 8 years. I have been to several doctors and have been in and out of hospital for a long period. I was getting so weak that I could not do anything. My life was a misery in the end, and I gave up hope of ever getting better. My husband was looking at the paper one night and he saw the name of Salaman Simpson, on which he then advised me to give Mr. Simpson a trial. I am very pleased to say I am now a different woman after taking his treatment for 2 months. I think it is wonderful after suffering for such a long period to be almost cured in a short time. I can now do my own work and enjoy life again.

Many thanks to Mr. Simpson for his treatment and kind attention. I do not hesitate to recommend anyone suffering from the same complaint to see Mr. Simpson immediately. Yours faithfully,

MRS. C. M. HOETA, Clemow Road, Fitzroy, N.P. (late of Te Kuiti).
