

WYNYARD ST

WYNARD ST

ODD SPOT: Two different spellings of road signs on a Bell Block street have at least one resident confused.

The top sign in the photograph is correct, while the other is wrong. Local woman Kathy Pettersen brought the blunder to the New Plymouth District Council's attention — back-to-back road signs marking Wynyard St, off Devon Rd, with two different spellings.

The sign facing New Plymouth has Wynyard — which is correct — while the sign on the Waitara side has Wynard.

“I had never noticed it before. It's probably been there for months and months,” Ms Pettersen said.

Council roading assets manager Max Aves put the mistake down to human error. He said the sign would be replaced as soon as possible.
