

RESTORATION OF MANAIA TOWN HALL

CANVASS FOR FUNDS TODAY

**WAIMATE
CAN BEAT ADVERSITY
AND
BUILD ITS HALL**

Damage to the Manaia Town Hall caused by the fire last Saturday morning has left the peoples of the Manaia Town and the Waimate West County without their one and only Community Centre.

Now supported by both Local Bodies, the local R.S.A., the Maori Race and all Sports Bodies of the District, a Committee has been working from noon on Saturday to ensure that a better hall will be erected **WITH THE LEAST POSSIBLE DELAY.**

A direct Appeal by way of canvass is being launched **TODAY (FRIDAY), JUNE 26. One Appeal, one day.**

Our aim is £6000 from this one and only Public Appeal. No prizes, no raffles — just the reward that the Waimate Plains can beat adversity and build its Hall.
